This is important and requires your attention!

NOTICE TO MEMBERS of the LIVERPOOL ART SOCIETY INC.

At the Annual General Meeting of the Liverpool Art Society Inc. (LAS) I will move a motion 'that the Constitution of LAS as Amended on 3rd December, 2015 be Amended'.

These further amendments consider and include changes to the Associations Incorporations Regulation of 2016, which replaces the 2009 Regulation, and uses as a guide the Model Constitution prepared by the NSW Department of Fair Trading.

A number of changes made to the regulation, and incorporated, reflect changes in technology, the holding of meetings in multiple locations, the holdings of meeting using meeting technology such as 'Zoom', and application for membership of LAS.

Other changes include:

- Removing the \$5 application or joining fee
- Reduce the maximum size of the Committee from 15 elected members to a more manageable maximum of 10 elected members, and reducing the quorum to 3 members
- Reducing the quorum for General Meetings from 10 financial members to 5 financial LAS members
- Reflect the processing of Membership Applications
- That LAS does not have an office from which to conduct the affairs of the Society and its Membership.

A copy of the Constitution with the proposed deletions and proposed additions to the amended 2015 constitution will be available for your review from all of the weekly group leaders or requested via Liverpoolartsocietypresident@gmail.com.

The editor Wants to Know

To every member of the LAS if you do anything related to creativity can you let me know about it please? Have you completed a painting? Won a prize? Been a finalist? Seen an exhibition? Let me know in a Word file using Arial 12. Even better send a jpeg to anthonybarnett301@gmail.com.

President's Report

Well, here we are at the start of 'saving daylight' again, a time when our thoughts turn to end of year and all that usually includes. Although, with the events of the past months, just the prospect of being able to journey more than five kilometers from 'home' and outside of the 'four walls' of the Liverpool LGA is a novel, and attractive prospect!

As a country, as a community, that light at the end of the Covid tunnel reminds us of the lives which have been lost, of those who remain in our hospitals, of those who's business enterprises still may not survive. Hopefully medical science and the response of communities to be inoculated, will prove to be the longer turn and only solution.

At the time of writing, the Boatshed Group is back from 21st October and the Wednesday Group from 27th October, Ceramics from 3rd November, and Life Drawing from Friday 29th October.

In each location recommencement comes with conditions :

- You will need to be fully vaccinated, until the 1st December Government advises.
- You must be able to provide 'proof of full vaccination'.
- You must sign-in using a QR code or manually record your details on each occasion you attend.
- You must wear a mask covering mouth and nose indoors at all times.
- You will need to maintain social distancing.

The LAS year still has some challenges to meet for while the Dept. of Fair Trading has granted an extension there is still the AGM and associated election of Officers, members consideration of changes to our Constitution to be held and a General Meeting which has been arranged for Saturday 11th December, 2021 commencing at 12 noon, at CNCC. A copy of the Nomination Form has been included with this Newsletter and I encourage your involvement in the 'running of your LAS' by nominating for one of the positions on either the Executive or Committee.

And a reminder that Council Elections are to be held on 4th December.

We will use email to communicate any further 'news' in regard to Covid changes.
