

BOB GURNEY WORKSHOP

BOB GURNEY WORKSHOP

LIVERPOOL ART SOCIETY INC.

Thank you to those that attended on Sunday 24th June at CPAC Artist Studio for Bob Gurney's Acrylic painting workshop. Many thanks to Bob Gurney for accepting our invitation to conduct a Workshop for LAS.

These were some of the comments from the students on the day:

"A worthwhile and enjoyable workshop in a relaxed and friendly environment. Bob was so encouraging and extremely patient. Looking forward to participating in the next workshop. Thank you for your efforts in organising it all. Thanks for the strawberries and snacks 😊"

"Thank you for organising the painting workshop with Bob Gurney. I total enjoyed it. Bob was excellent at explaining how to achieve tonal value without the use of black or white"

"Had a lovely informative day. Bob was nice enough to go back to basics on colour blending and no question was to basic for him. Very helpful"

"Learned a lot about colour toning from this workshop, and would attend any others that you organize, especially if we were doing water reflection. Also have never before colour washed my canvas, so a really good technique, and using a sponge in a sealable container for maintaining moisture in my painting palette were tips that I will use in the future. Looking forward to the next workshop"

Many thanks to Tania Saeed, Roelof Penning, Cayn Rosmarin, Roy Marchant, Cara Lopez and the lovely ladies at the Front Desk at CPAC for their participation in organising and assistance on the day.

Very happy that both our members and visitors enjoyed themselves at the workshop.

Any further suggestions for future workshops are always welcome and please drop me a line or two on lasdemoandworkshops@outlook.com

Happy Painting.
